

## The PFO's 2022-2023 Membership Drive is Underway!

For over forty years the Allison Park Elementary Parent Faculty Organization has been doing many great, "extra" things for our students! The PFO takes pride in enriching the learning experience of our children and showing our appreciation for the hard-working staff throughout the year as well. PFO sponsors field trips, t-shirts, yearbook, book fair, field day, band, accelerated reading, holiday workshop, teacher appreciation and more!

We need a strong organization of volunteers in place to assist us in our efforts. We simply can't do it without you! Support the PFO by becoming a member today! The fee is just \$1.00 per adult to join. We encourage grandparents, aunts, uncles, guardians - any adult can join. Memberships are good for one school year, giving you the opportunity to vote at the monthly meetings and also serve on committees that may be of interest to you. Monthly meetings last about one hour and are held the 2nd Wednesday of each month, September - May (except Dec). It's a great way to stay informed on what's happening at the school, meet parents and teachers, and get involved!

The students in one homeroom from K-3 and one homeroom in grades 4-6, with the highest percentage of participation in our membership drive, will win a classroom pizza party! (If you have more than one child, each child will be given credit for your participation). Winners will be announced at our October meeting.

**\*Please return the bottom portion and the membership fee with one of your children to the school by Friday, September 30, 2022.**

\*We hope to see you at our first monthly meeting on Wednesday, September 14th at 4pm in the cafeteria! Thank you, Sarah Metzler, PFO President
