

2021-2022 PFO Membership Drive

The Allison Park Parent Faculty Organization (PFO) has a long history of going above and beyond for the students in our community. **We need your help in supporting the PFO by becoming a member.** The PFO takes great pride in supplying many “extras” for our children. These include: field trips, t-shirts, field day, band supplies, accelerated reading, book fair, yearbooks, holiday workshop and summer camp. We cannot do it alone!

The fee is just **\$1.00 per adult** to join. If you have joined in the past, you **must join again**. Memberships are *only* good for one school year. It gives you the opportunity to vote at the monthly meetings and serve on any committees that may be of interest. Please let us know of any special skills you can offer such as graphic design, crafting, landscaping, etc. Everyone can be a valuable asset, not just during school hours.

Monthly meetings are held the 2nd Wednesday of each month, October through May at 7 PM in the cafeteria. Meetings typically last one hour. It's a great way to stay informed on what's happening at the school, hear from the principal and find opportunities to get involved. Due to COVID-19 concerns, childcare will not be provided until further notice.

One homeroom from K-3 and one from 4-6, with the highest percentage of PFO participation, will be awarded Sarris' Candy Bars! Join today and help your child's classroom win some chocolate! If you have more than one child, each child will be given credit for participation.

Donations are also a great way to support the PFO and are always welcome. (Checks made payable to Allison Park Elementary PFO).

Please return the bottom portion with membership fee/donation with your child to school by November 30th. **ALL YOUR** children will receive credit for your membership (only one form needed per family). We look forward to seeing you at our first meeting **October 13, 2021.**

Questions? Contact one of the PFO Officers: Sarah Metzler, Sara Esposite, Molly Yates, and Erika Talaga
