

Important Health Notice- November 13, 2020

This letter is to inform you that the District was notified today of a positive case of COVID-19 in the Chartiers-Houston School District and with the increased number of quarantines and isolation in families, the District is taking all recommended steps to ensure the safety of our students and staff. In cooperation with the Health Department, we are implementing the following steps:

- The district has moved instruction to remote learning at **Allison Park Elementary School** for the following days: Monday, November 16 through Sunday December 6. In-Person learning will start again on Monday, December 7. Please see calendar below.
- Instruction at the JSHS will remain the same until further notice.
- The impacted areas of our school will be thoroughly cleaned and sanitized.
- Students and staff, who are considered close contacts (any individual within 6 feet of an infected person for at least 15 minutes), will receive a phone contact by the Department of Health or District designee.

We will continue to update staff and families if any additional steps are required by the Health Department. As a reminder, if you experience any COVID symptoms, please contact your medical provider:

Moving forward, the PA Department of Health will recommend school closure if the additional case or cases are determined to be related to in-school transmission. The District is closely monitoring this situation and will notify staff and families if any additional actions need to be taken in the near future.
