

COVID-19 EDUCATIONAL OPPORTUNITIES

March 22, 2020

Dear CHSD Family,

First of all, thank you for your patience and support throughout these unprecedented times that has changed all of our lives.

We do not know when students will be permitted to return to school, therefore, the CHSD is planning to provide learning opportunities during our schools' closure. Just recently, we received guidance from the Pennsylvania Department of Education (PDE) to offer students various learning opportunities.

Given this information, the CHSD is in the process of providing these learning opportunities for all grade levels, **hopefully starting**, on Monday, March 30, 2020. We are closely monitoring national and state regulations and promise to keep open line of communication.

During the next week we will be discussing the various forms of instruction that can be provided, and preparing for instruction opportunities to begin on March 30, 2020. **Additional details of what this will look like and how this will be implemented will be sent to parents later this week.**

Summary:

1. Most important, keep your children safe and follow all recommendations from the CDC.
2. School buildings will remain closed except for essential personnel until further notice.
3. We are hoping to provide learning opportunities for our students beginning March 30, 2020
4. **CHSD Food Service** will continue to provide Grab and Go lunches.

Thank you again for your patience in these difficult times. There will be challenges in our effort to provide the best alternative to our education system, we will need your support and feedback as we implement this temporary learning experience. Please be patient and stay safe.

Thoughts,

CHSD Administrative Team
