## STUDENT ASSISTANCE PROGRAM

### PERMISSION OF SAP REFERRAL *Parent/Guardian Notification*

I understand that my child has been referred to the SAP team at Chartiers-Houston due to a possible behavioral, academic, emotional, or drug/alcohol problem that is interfering with a healthy learning atmosphere. I also understand that a referral does not indicate a problem(s) actually exists with my child. I am aware that if there are indicators that a problem exists, recommendations will be made by the team that may include intervention by an outside agency. I further understand the SAP team will keep this information separate from my child's permanent file.

I give permission for my child, \_\_\_\_\_ to be interviewed by members(s) of the Chartiers-Houston Student Assistance Program.
