Dear Parents / Guardians:

As part of the Chartiers-Houston School District emergency operations plan and our commitment to ensuring the safety of our students, faculty and staff, the Chartiers-Houston School District will conduct school safety drills throughout the year. These safety drills will include a lockdown drill. When this safety drill is conducted, it will be done in an age-appropriate manner in both buildings.

The drills will be part of numerous school safety drills conducted in our schools this year. These drills are done in combination to our monthly fire drills. Please understand that not all drills will be announced ahead of time.

The safety of our students, faculty and staff has been and always will be the top priority of the Chartiers-Houston School District.

Thank you for your cooperation as, together, we work to maintain a safe school environment.

Sincerely,

CHSD Administrative Team
