

Sports Medicine

The Chartiers-Houston School District Athletic Department will be using Healthy Roster to electronically collect all PIAA & AHN paperwork as it concerns participation in extracurricular athletic activities. This includes but is not limited to:

- PIAA CIPPE - Sections 1 and 2
- PIAA CIPPE - Sections 3 and 4
- PIAA CIPPE - Section 5
- PIAA CIPPE - Section 6
- PIAA CIPPE - Section 7
- PIAA CIPPE – Section 8 (If necessary)
- AHN Sports Medicine HIPPA
- AHN Sports Medicine Consent to Treat

All information will be filled out online using the electronic forms found in the documents section on your Healthy Roster account. There are two exceptions:

1. You will need to take Section 7 of the PIAA CIPPE with you to have the doctor sign off on your child's sports physical. Afterwards, please log on to Healthy Roster to either scan or take a picture of this document and upload to the PIAA CIPPE - Section 7 form under the documents section.
2. You only need to fill out PIAA CIPPE - Section 8 electronically if your child is participating in more than one sport in an athletic year. Remember this form cannot be filled out any earlier than 6 weeks prior to the start of the sports season

Finally, if you have already signed up for a Healthy Roster account you will be eligible to start filling out these documents on 6/1/22. If you have not signed up for a Healthy Roster account or your child will be participating in athletics for the first time, please email your Athletic Trainer with the following information. You will be sent an activation code to enter the Healthy Roster system. You can **NOT** enter the system without this code.

Athlete's Name, Sex, DOB, Graduation Year, Sport, Parent Name, Phone number, and email address.

Matt.dady@chartiers-houston.com

If you need any help with completing these documents online, please visit the link below:

If you have any questions or concerns regarding Healthy Roster, please don't hesitate to reach out to our Licensed Athletic Trainer. You can contact Matt at 412-297-2152 or you may message him via the Healthy Roster app once your account is set up.

Concussion Baseline Testing

If your child has not had a concussion test on the SWAY system, or needs to be re-tested for the upcoming season, please schedule a testing session through the web address at the bottom of this page. It is critical that your child has a concussion baseline test BEFORE the season begins. All athletes involved in contact or collision sports, must be concussion baseline tested before the first practice session. All 7th, 9th and 11th grade athletes need tested.
